

DITCH WITCH FX60 VACUUM EXCAVATOR | VE015

PRODUCT SUMMARY

Ditch Witch FX60 Vacuum Excavator

- 60-hp (45kW) Cummins diesel engine
- Saddle-style tanks
- Length 6.22m
- Width 2.55m
- Height 2.52m
- Weight (dry) 5,094kg
- Weight (vac tank full, water tank full) 11,104kg
- Weight (Vac tank full, water tank empty) 9,580kg
- Weight (Water tank full, vac tank empty) 6,940kg
- Engine type: Cummins B3.3NA

- Fuel type: diesel
- Aspiration: natural
- Vacuum system Blower displacement: 25.5m³/min
- Maximum vacuum: 406mm HG
- Hose size (standard): 102mm
- Vacuum tank capacity: 4,543L
- Full opening rear door diameter: 1.58m
- Outlet valve size: 152mm
- Tank inlet valve size: 102mm
- Primary shutoff (ball type): 305mm
- Filter area: 9.3m³
- Water trap capacity: 30.3L
- Suction hose 4 in (2 sections): 15.2m
- Water system
- Water pump flow: 23.6L/min
- Water pump pressure (max) 241 bar
- Pump clutch: electric with antifreeze and auto declutch feature
- Hydraulic system
- 12V DC power unit
- Reservoir size: 57L
- Pressure: 172 bar
- Tank dump cylinders: 102mm

PRODUCT SPECIFICATIONS

MAKE	Ditch Witch
MODEL	FX60
TYPE	Vacuum Excavator
